OBJECTIVE

My aim is to excel as a Web Developer, secure a position in a reputable organization, and thrive in a collaborative environment that values my skills and contributions.

WORK EXPERIENCE

Freelance

[The Scoop Times](#)

📅 Jan 2023 – Feb 2023

- Developed user-friendly categories & easy news browsing project on WordPress
- Successfully completed project in record time of 6 weeks by efficiently managing domain and hosting.
- Efficiently enhanced site functionality by utilizing plugins and theme modifications for seamless access to preferred news categories

PROJECTS

Adoptail

[Front-End Developer](#)

📅 Mar 2023 – May 2023

- Developed a user-friendly pet adoption website, focusing on frontend development, enabling users to create detailed pet profiles for adoption or rehoming.
- Collaborated with a college group to design and structure the website.
- Integrated filtering features for visitors to easily search for pets by breed, age, or gender.

College Canteen

[Front-End Developer](#)

📅 Nov 2022 – Jan 2023

- Online Food Ordering System offers a streamlined user experience with simple and fast-food ordering record retrieval and category searching, ensuring data security and ease of use.
- The implementation of the online food ordering system led to tangible improvements, including a significant reduction in queue lengths at the college canteen.
